We dedicate this book, not to a person, but to an idea — to the Concordia Family, united in a common spirit with fellow service to each other and to our God.

OUR PRESIDENT'S MESSAGE

Concordians are different. They should be. God has made them new creatures in Christ Jesus. He has distributed a great diversity of talents to them. He has set them as lights in a dark world in many different places in our land and other countries. There is distinguishable and understandable diversity in Concordians.

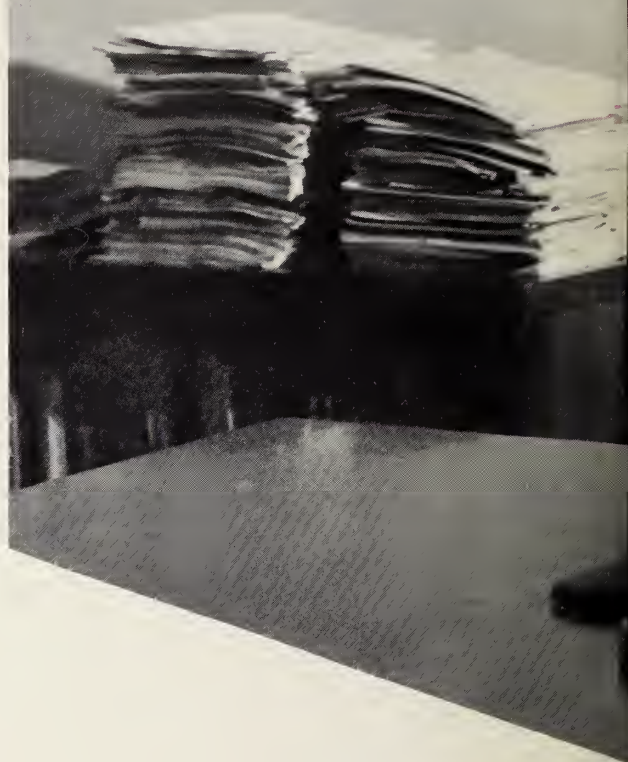

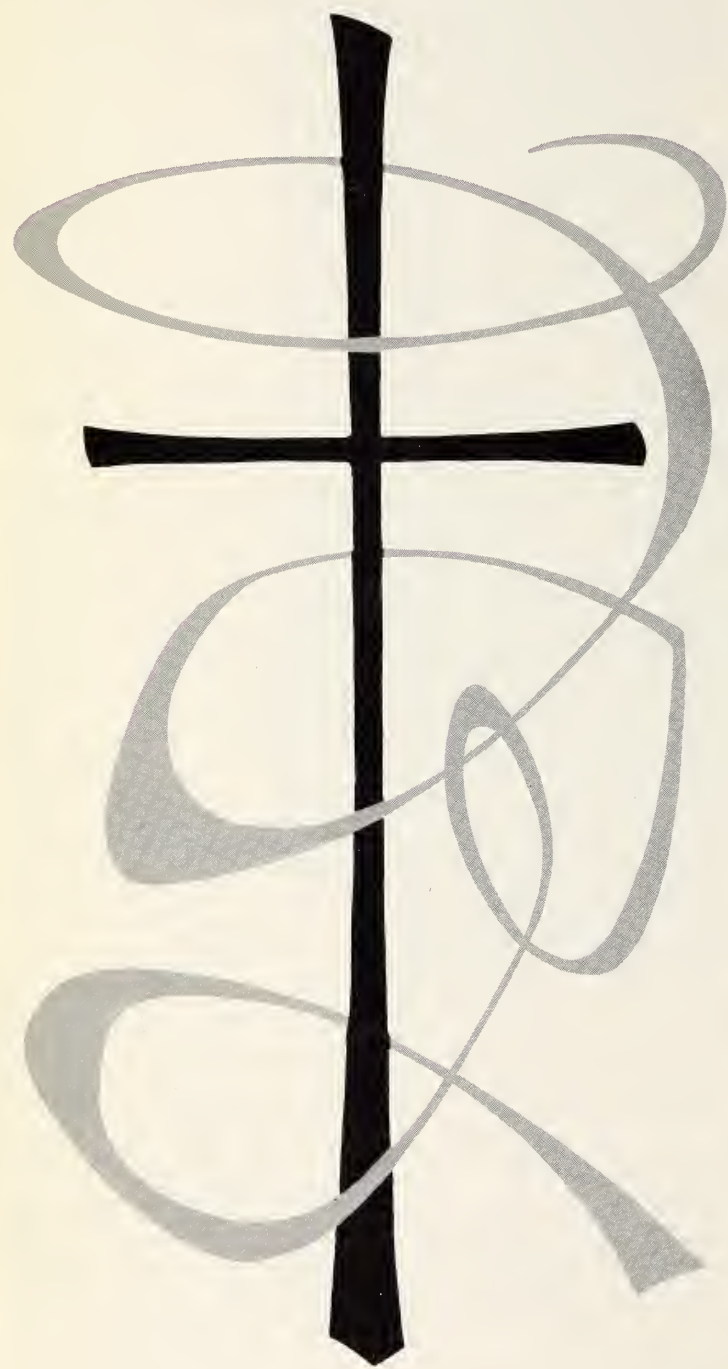

But there is great unity in our diversity. Our unity is in Christ Jesus. He is our Lord. Though we follow Him so often with faltering steps, yet He leads and we follow. When we fail and fall, He forgives and lifts us up. He is our mutual Friend in Whom we confide, our continuing Hope in Whom we trust, our persistent Advocate to Whom we pray.

He has by His Spirit restored us to the family of God. His Father is our Father. He is our Brother, and in Him we are brethren. His Spirit leads us ever deeper into that fellowship of faith, which shares that which is God's, and shares all it has with God and the brotherhood.

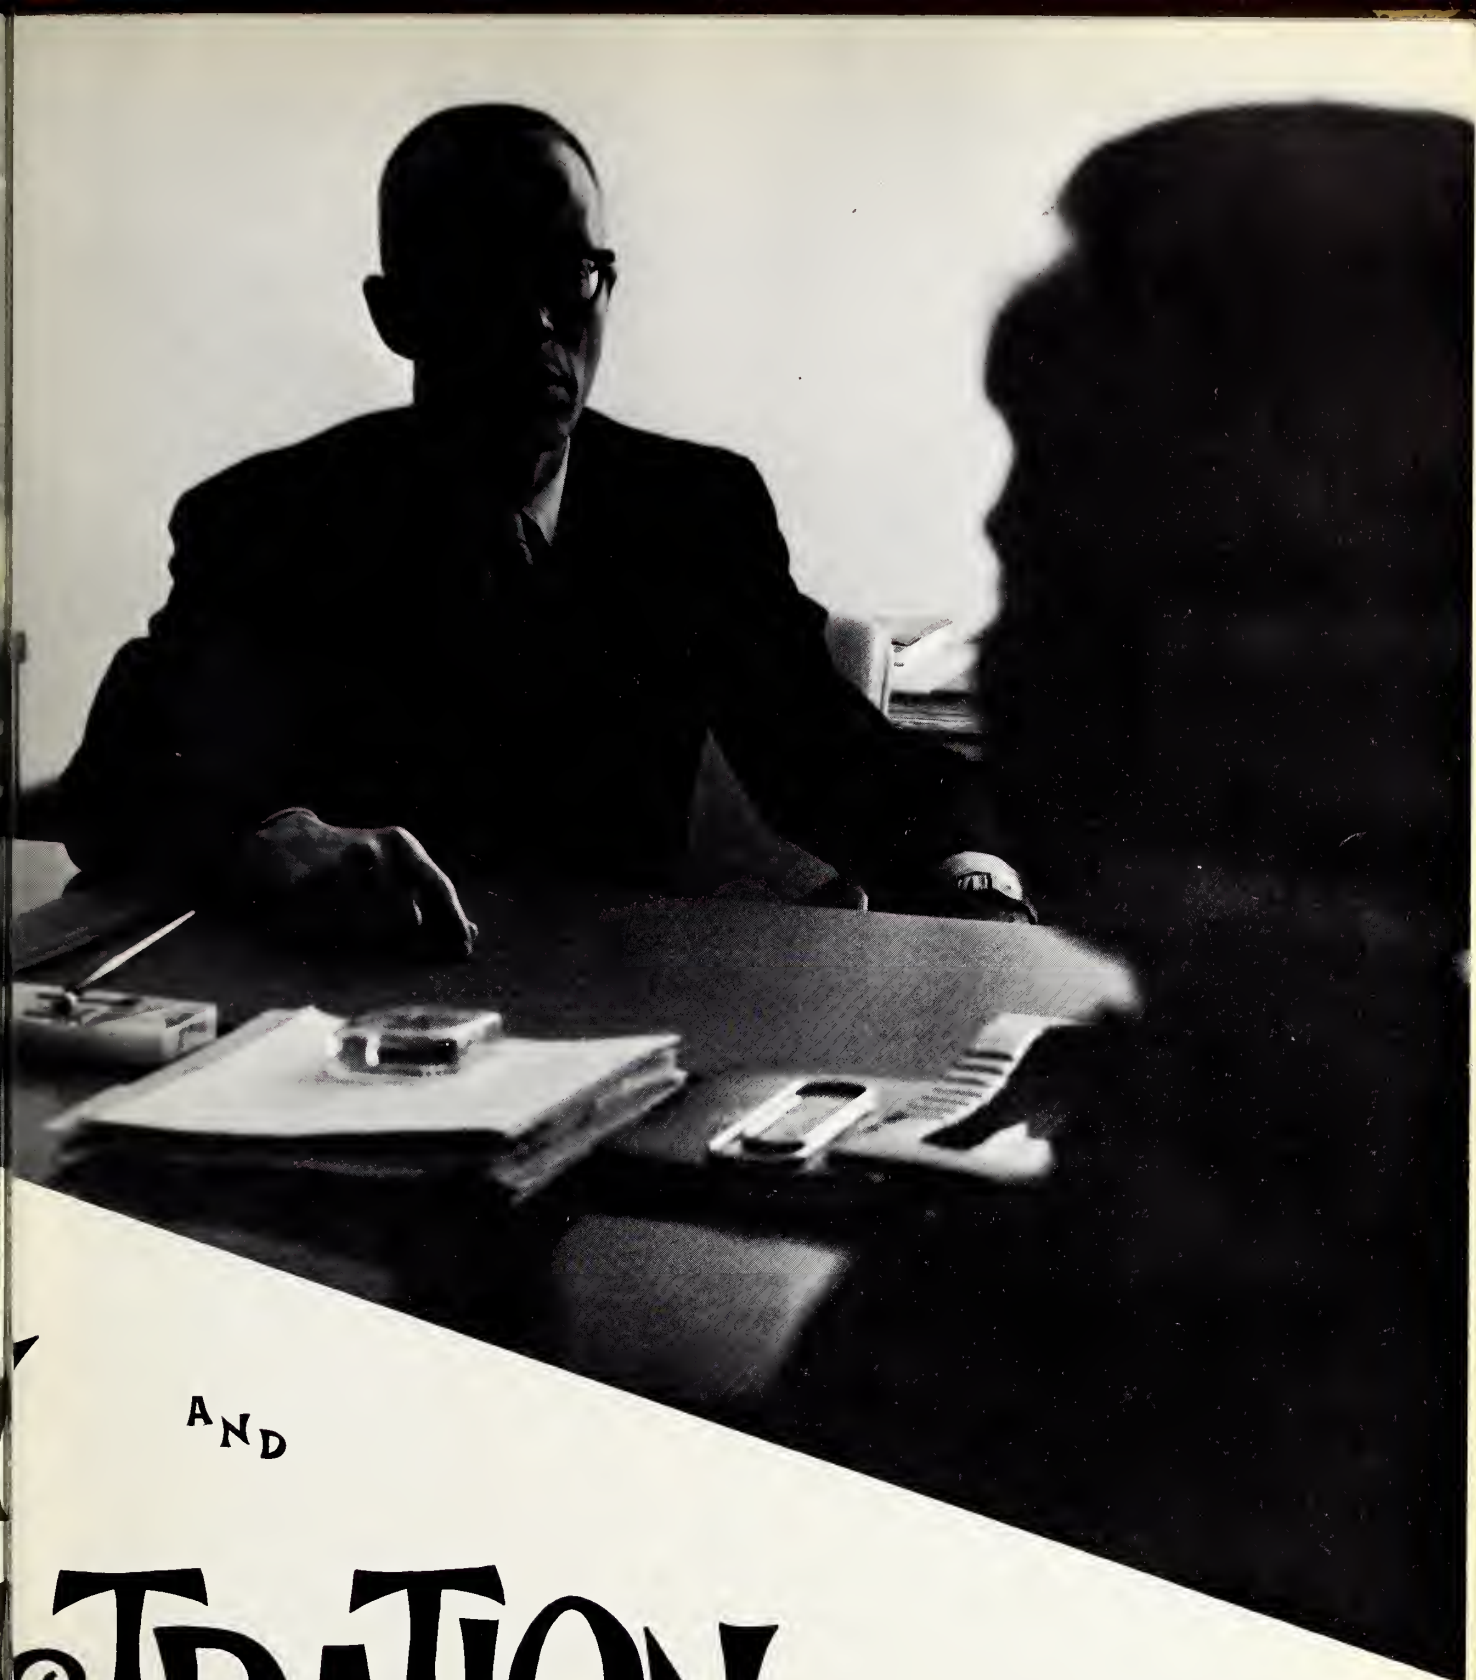

Concordians are a family, a fellowship of the sons and daughters of God. They have feet of clay, but they also have feet "shod with the preparation of the Gospel of peace." They have unruly tongues of fire, but they also bring a message of salvation on their lips. They have hearts which are black with the stain of sin, but they can also love the souls of men because they believe they are beloved of God.

These family ties unite us when we separate, for our union in Christ Jesus is eternal. Let us pray that He keep us in His grace and in this family forever!

Martin L. Koehneke
President

FOOTBALL

The 1961 Cougar football team was one whose desire and determination were unmatched. Despite hampering injuries and untried men, the team developed into a solid ball club. Through rain-soaked games and rain-dampened practices, the team learned and provided Concordia with thrilling individual performances, great team efforts, and the school records of Rau, Schmidt, Behnke, and Hilgendorf. The ripening of many others not only gave the Cougars a good team in 1961, but prospects for an even greater one in 1962.

Help!

History was made as Concordia accepted its first bid to a NCAA regional basketball tourney. Travelling to Valparaiso, the Cougar's inspired play proved to all that they rightly deserved to be one of the 16 best small college basketball teams in the country. The second place finish in a nip-and-tuck battle with the Valpo Crusaders proved to be an exciting climax to the Cougar 1961-62 campaign.

THE PILLARS STAFF . . .

. . . has attempted to present the life of the Concordia family. All of us have fond memories of the people, the places, and the events which are Concordia. It is the hope of the staff that the 1962 Pillars will, in the coming years, bring back some of those memories of the days we have spent as members of God's family at Concordia.

The Student Association of Concordia is grateful for the contributions received from the patrons and sponsors. We wish to thank them for their gifts, which have aided in the publication of the 1962 Pillars.

COMPLIMENTS OF A FRIEND

YOUR CHURCH'S PENSION FUND FOR PASTORS AND TEACHERS OF THE LUTHERAN CHURCH MISSOURI SYNOD

Extends Congratulations and Best Wishes to you Graduates. We extend our most cordial congratulations upon the completion of your studies at our River Forest Concordia. Accept our best wishes for a long period of pleasant and effective service in the Church.

By virtue of Synod's direction and by the grace of God, you have been trained and prepared to be workers for our Lord and Savior Jesus Christ. Entrust the days of your retirement, under God's guidance, to Synod by joining the Pension Fund as soon as you have entered upon your work. We encourage your early participation. The sooner you join, the larger your pension at retirement.
